

VIDEOGRAPHY RESUME: DOUG SILTON

Hi! Doug Silton here.

My cousin Paul bought a camcorder in 1986. We started making stupid videos together ... and I was hooked. From solo projects to my largest project directing over thirty dancers and extras, I love being on set as a flimmaker, videographer, and director. I've danced on sets for CBS television shows, Telemundo dance competitions, MTV, commercials, blockbuster movies, and I'm always learning when I'm in front of or behind the camera.

Here is a non exhaustive list videos that I have directed or choreographed or shot:
